

IMMACULATE HEART OF MARY SCHOOL

BUILDING A STRONG FOUNDATION

IMMACULATE HEART OF MARY

An Independent Catholic School

Immaculate Heart of Mary is an independently operated, privately funded Catholic school serving children from **Junior Kindergarten to Level 1** (Grade 10).

Our Director of Education, **Mrs. Elaine King**, has thirty-two years of educational experience including duties in Mathematics, French and twelve years in Administration. She and our professional teaching staff promote academic excellence, good organizational, study and research skills and the ability to think critically. We believe that academic, character and spiritual education are the foundation for lifelong learning.

YOU HAVE A CHOICE!

Not only do you have a choice, but you also have a voice in your child's education! There are many opportunities for parents to become actively involved in the operation of the school – the Board of Directors is made up of parents of children attending the school. The board works closely with the administration and staff.

Over fourteen years ago the Catholic School Foundation of Corner Brook Inc. was formed following a decision by the Government of Newfoundland and Labrador to abolish Catholic schools in the province. The foundation's primary objective was to establish an independently operated, privately funded, Catholic school serving children regardless of socio-economic, ethnic or religious background.

Since September 5th, 2000, when we opened our doors to the first 54 students, we have experienced tremendous growth. Now in our 12th year, our enrollment has grown to over 150 students.

"My children are excelling at their school work and are very happy. I appreciate the small class sizes, back-to-basics focus and emphasis on discipline and respect. We are thrilled our children can attend one school from the age of four through fourteen with a group of children that feels more like a large extended family."

"I am so happy I transferred to IHMS. In my previous school I personally experienced bullying. Here at IHMS I have lots of friends and lots of fun. Bullying is not a problem!"

It is a pleasure and a privilege for me to be part of the IHMS community.

Our school embodies the characteristics of an outstanding community; one that promotes and fosters a safe caring environment, always striving for excellence in all areas of school life. The diverse programming at IHMS is designed to maximize the talents and gifts of all students from the arts to the sciences.

The Staff of Immaculate Heart of Mary School is dedicated to providing a well-organized learning environment. Our students perform exceedingly well on the provincial CRT exams, which is a testament to the quality of instruction that our students receive.

Please do not hesitate to contact me should you have any question or if you would like to arrange a tour of our school!

Sincerely,

Elaine King
